## **Brief Report of Summary:**

This report details the distribution of hand sanitizer at Gramin Police station in Khamgaon, Dist Buldana, Maharashtra, as part of social service and public health initiative. Initially Senitizer was prepared in Chemistry lab of G S Science arts and commerce College Khamgaon under the guidance of Dr Y K Meshram Head of chemistry department, Dr Rohinee Dharamkar with Miss Rajani Dharamkar and Mr L V Palve prepared this sanitizer. The distribution aimed to provide police officers with readily accessible sanitizer to improve hand hygiene and potentially reduce the spread of germs and viral infections, including COVID-19, during their daily duties. On 13/04/2020 Dr D S Talwankar Principal, G S Science arts and commerce College Khamgaon with Dr H A Bhosale , Assistant Professor Economics, Dr Rohinee R Dharamkar, Assistant Professor Chemistry(Ad-hoc) and Mr L V Palve, Lab attendant Chemistry Department distributed total 50 number of alcohol based sanitizer bottles to the officers of Gramin Police station at 11.00am.

The distribution of hand sanitizer at Gramin Police station was a successful initiative that provided officers with a valuable tool to improve their personal hygiene and potentially reduce the spread of germs and infections. The positive response from officers highlights the importance of such initiatives in supporting the health and well-being of our police force.

Dr. D. S. Talwankar Principal G.S.S. Commerce College, Knamgaon 444363 Dr D S Talwankar
