A program on “WENyan – A Scholarship Program for Women was organized on 28<sup>h</sup> April 2023 online mode on Zoom meeting. The event began with welcome of all the dignitaries virtually. Welcome address given by, Dr H. S. Chandak, Professor and Head of Chemistry department. He also introduced the Chief Guest of program Ms. Shilpa Jain, project coordinator, Pune Knowledge Cluster to the audience and also told about WENyan is a scholarship and mentoring program supporting women in Chemistry and allied areas. The main program was started by Ms Shilpa Jain. In her speech she encouraged the students to build up their confidence and do best in their life by achieving the scholarship during research. Her talk was focused on WENyan Scholarship for female students of B.Sc II<sup>st</sup> and M.Sc I<sup>st</sup> year. Her main motto was to aware the students about the WENyan scholarship program which is to provide financial support, in terms of scholarship and prototyping grants, to girls from marginalized communities, low income groups, in Maharashtra, who want to carry out research projects in the areas of Applied Natural sciences, speciality chemicals, Agro-chemicals, New materials and sustainability. She also highlighted the importance of research scholarship.

The Chairman of this program Dr. D. S. Talwankar Principal, G. S. College, Khamgaon congratulated the department for academic initiatives regarding WENyan Scholarship and also told the importance of research in each field for the development of students and with best wishes to all students for their bright future he concluded his presidential address.

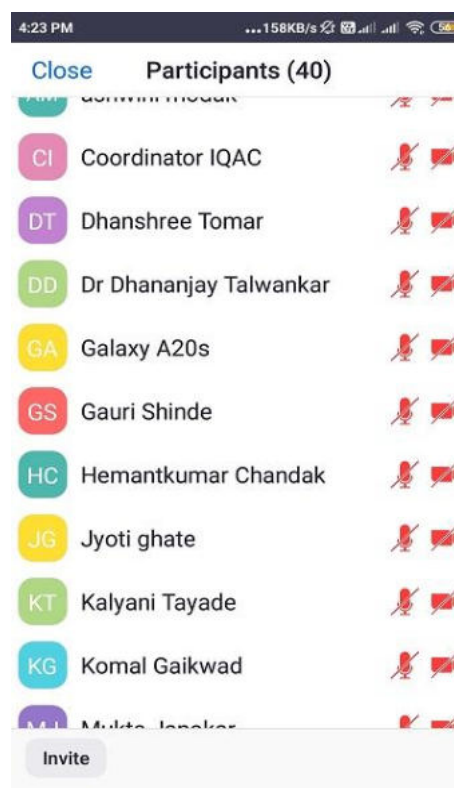

Total 41 students (including PG and UG) with 04 teaching staff attended the program.

The program was mastered and the vote of thanks was also expressed by Dr. Rohinee Dharamkar, Ad-hoc, Assistant Professor, Department of Chemistry, G.S. College, Khamgaon.
