- Meeting ID: 861 7396 7212

Passcode: 398041

Guest Speaker: _____, Associate Professor Dept. of Chemistry Dr. BAMU
Aurangabad

Participants: Through zoom link 78 You Tube live streaming 60 Total Participant 138

Summary:

Research Advisory Committee (RAC) and Internal Quality Assurance cell (IQAC) organized a one day Training on “How to write Scientific Review Articles” through Workshop on Quality Research and Establishment of linkages and collaboration on dated 05/08/2021. The session aimed to guide the faculties , research scholars and PG students of the institute on how to read and annotate Scientific review articles. Dr D.S. Talwankar, Chairperson of the workshop inaugurated the event.

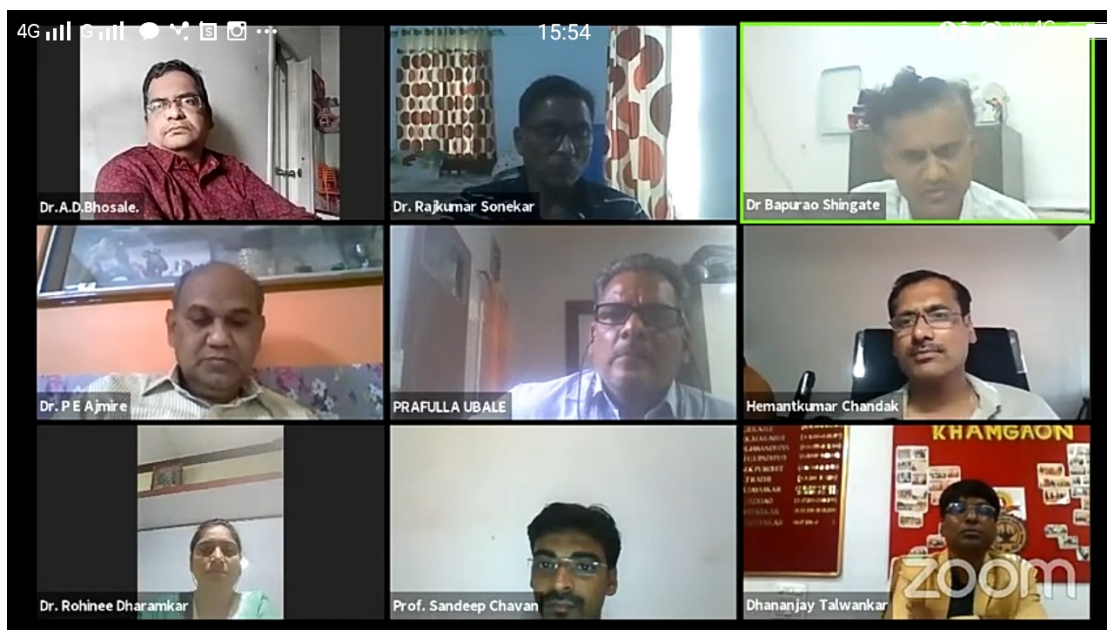

The session began with the virtual welcome, followed by the inaugural speech of the Dr P.V. Ubale Convener of the Research Organising Committee. Dr A.D.Bhosale introduced the resource person Dr. Bapurao B. Shingate. Then the mike is handed over to the resource person Dr. Bapurao B Shingate . Having an excellent knowledge in conducting training session for the faculties and research scholars and PG students, the speaker had a very practical approach and sample of the research articles so as to impart the participants, a better understanding of the topic. He cleared the concept of source of information, meaning of the word curation and helped shaping the mindset of participants in the direction of research attitude. He also interacted with the faculties by question and answer session. The whole event is conducted by Dr. P.E. Ajmire.

The following contents were covered in the session:

Source of literature, Curation, Importance of various parts of a research article: Title, Abstract, Introduction, Methods, Results and conclusion .

Finally the session concluded with the Presidential speech of Principal Dr. D.S. Talwankar and interaction with participants. Vote of thanks is given by Dr R.P. Sonekar.
