Brief Report about event	<p>About this course:- A front-end developer creates websites and applications using web languages such as HTML, CSS, and JavaScript that allow users to access and interact with the site or app. When you visit a website, the design elements you see were created by a front-end developer.</p> <p>What does a front-end developer do?</p> <p>Front-end developers create user interfaces (UI). UI is the graphical layout of an application that determines what each part of a site or application does and how it will look. "I've always found crafting polished user interactions that surprise and delight users to be the most rewarding and engaging task," says Mari Batilando, a software engineer at Meta. "In order to do this, you need to both have an eye for detail and a rock-solid understanding of the platform."</p> <p>Front-end developer job description</p> <p>If someone wanted to build a website, they might hire a front-end developer to create the site's layout. The front-end developer determines where to place images, what the navigation should look like, and how to present the site. Much of their work involves ensuring the appearance and layout of the site or application is easy to navigate and intuitive for the user.</p>

Brief Report about event	<p>About this course:- We are living in the age of knowledge-driven economics. Information is an asset, and how we share it defines the extent of our success. Today, everyone shares and exchange information, however, the real game changer throughout this shift has been the emergence of cloud technology solutions. The cloud is a virtual space that exists on the internet. It is a storage space where people can place their digital resources such as software, applications, and files. In simpler terms, we can say that the cloud is virtual storage space on the internet. Cloud computing and technology – popularly referred to as the cloud – has redefined the way we store and share our information. It has helped us transcend the limitations of using a physical device to share and opened a whole new dimension of the internet.</p> <p>Highlights of the Webinar</p> <ul style="list-style-type: none"> - Introduction to Cloud Computing - User Segments - What Experts Say - Revenue Forecast - India - Revenue Forecast - Global - Jobs Profile in Cloud Technology - Employment Opportunities in India - Global Employment Opportunities.

Kale, Head, Department of Zoology, said that March 20th every year is celebrated all over the World as the Sparrow Day. This year also this day is being celebrated by our department, in order to create awareness among people regarding the conservation and protection of our wild life, environment and nature.

The Chief Guest of the program Shri Sanjay Gurav, Arts Teacher, A.K. National High School,Khamgaon while guiding the camp, said that due to increasing urbanization, the number of sparrows is decreasing rapidly and due to many reasons such as non-availability of food, lack of safe and proper place for nests building, increasing pollution in the cities, modern house construction methods are the chief reasons to vanish out this beautiful eco friendly and loving birds.. This is the right time for us to be constructive.

On second day of the program i.e. 21st March "Hands on Training: Nest from Waste" has been organized. During the workshop students made bird nests and feeders by using household waste items such as cold-drink empty plastic bottles, containers, plastic lids, plates or round utensils. The demonstration was given by Mr Aniket Wankhade, Contract Teacher of the Department. About 110 students participated in the camp. The nests and feeders made during the camp were then displayed and distributed to the students by the hands of Dr D.S.Talwankar, Principal of our college. The feeders and nests were then installed at their homes just to send the message and to create awareness among their families and surrounding people.

गो.से.महाविद्यालयात जागतिक चिमणी दिवस साजरा

खामगाव (का.प्र.)- येथील गो.से. महाविद्यालय, खामगाव येथील प्राणीशास्त्र व वनस्पतीशास्त्र विभागाच्या वतीने २० व २१ मार्च २०२३ रोजी 'जागतिक चिमणी दिवस' निमित्त दोन दिवसीय कार्यशाळे करिता अध्यक्ष स्वामी महाविद्यालयाचे उपप्राचार्य डॉ.पी.बी.उवाळे, प्रमुख पाहुणे संजय गुरव, कार्यशाळेचे मार्गदर्शक डॉ.जी.बी.काळे, वनस्पतिशास्त्र विभाग प्रमुख डॉ.ए.बी.पडभन हे उपस्थित होते.

संजय गुरव यांनी सांगितले कि, वाढत्या शहरीकरणामुळे चिमण्यांची संख्या झपाट्याने कमी होत आहे. आधुनिक प्रहारच्या धरणांमुळे घरांघरांची अन्नाची अनुपलब्धता आणि शहरातले वाढते प्रदूषण यामुळे अनेक कारणांमुळे त्यामध्ये भर पडत आहे. आपण विधायक कारणांची हीच वेळ आहे. आपण सर्वांनी

मिळून हे फळी नामनेचे होण्यापासून वाचवण्यासाठी प्रयत्न करावे. अध्यक्षीय भाषणात उपप्राचार्य डॉ.पी.बी.उवाळे यांनी सांगितले की, आपल्या सगळ्यांच्या परिचयाची असलेल्या चिमण्यांची संख्या कमी झालेली दिसते. पशुपक्षांसाठी अन्न व पाणी उपलब्ध करणे हे मोठे आव्हान होऊन बसले आहे, पशुपक्षी संवर्धनाची समस्या निर्माण झाली आहे आणि त्यासाठी आपण चिमण्यांची संख्या वाढवण्यासाठी पर्यावरणपुरक प्रयत्न करणे गरजेचे आहे. प्रास्ताविक जी.बी. काळे यांनी केले. कार्यशाळेच्या दुसऱ्या

दिवशी विद्यार्थी धरतीत टाकूक वस्तू जसे, प्लास्टिक बाटली, बॉन्टेनर, बरण्या, प्लास्टिक झाकण, ताटली किंवा गोळाकार असलेले भांडे इ. चा पुनर्वापर करून पक्षांकरिता घराटी आणि फिडर बनविले. कार्यशाळेचा सुमारे ११० विद्यार्थी-विद्यार्थिनी लाभ घेतला. तदनंतर शिविरादरम्यान बनविलेल्या घराटी आणि फीडर्स विद्यार्थ्यांनी महाविद्यालयाच्या परिसरात व त्यांच्या घरी स्थापित केले. कार्यक्रमाचे सूत्रसंचालन कु. इशिका शर्मा यांनी तर आभार प्रदर्शन डॉ.कु.दीपाली धरमकार यांनी केले.

About this Webinar:-

Intellectual Property Rights is an inevitable tool for today's globalized economy. Fostering innovation is one of the sustainable development goals set by the Government of India. "An India where Intellectual Property stimulates creativity and innovation for the benefit of all" is the vision of our National IPR Policy. Several initiatives have already proven to foster innovation like the Make in India, Start up India, Digital India and Skill India. The Atal Innovation Mission nurtures the innovative energies across the country in schools and universities. Under the IPR policy, the cell for IPR Promotion and Management, CIPAM has been tasked to facilitate creation and commercialization of IP assets in collaboration with the Office of the Controller General of Patents, Designs and Trademarks.

Geographical Indications of Goods are defined as that aspect of industrial property which refer to the geographical indication referring to a country or to a place situated therein as being the country or place of origin of that product. Typically, such a name conveys an assurance of quality and distinctiveness which is essentially attributable to the fact of its origin in that defined geographical locality, region or country.

Program conducted

Adv. Yogita Pawar focus on all the components of IPR. Such as:

- Forms and Fees.
- Workflow of Trademark.
- Act
- Rules
- Time periods
- Patents Journal
- Trademarks Journal
- Design Registration Process
- Geographical Indications Journal

Department of Zoology and Botany ,G.S.Science,Arts and Commerce College, Khamgaon organized workshop,"**Hands on Training : Nest from Waste "** on the occasion of World Sparrow Day on 20th and 21st March 2023 .

The program was chaired by the Vice-Principal of the college, Dr. P.V.Ubale. Shri Sanjay Gurav, Arts Teacher,A.K.National High-School,Khamgaon,Dr G.B.Kale, HoD Zoology and Workshop Co-ordinator;Dr A.V.Padghan were present on the dais .Total 110 students of B.Sc. Part I, II, III and M.Sc. Part I,II(Zoology) of the college got benefitted with this workshop. Introducing the program, Dr.G.B. Kale, Head, Department of Zoology, said that March 20th every year is celebrated all over the World as the Sparrow Day. This year also this day is being celebrated by our department, in order to create awareness among people regarding the conservation and protection of our wild life, environment and nature.

The Chief Guest of the program Shri Sanjay Gurav, Arts Teacher, A.K. National High School,Khamgaon while guiding the camp, said that due to increasing urbanization, the number of sparrows is decreasing rapidly and due to many reasons such as non-availability of food, lack of safe and proper place for nests building, increasing pollution in the cities, modern house construction methods are the chief reasons to vanish out this beautiful eco friendly and loving birds.. This is the right time for us to be constructive.

On second day of the program i.e. 21st March "Hands on Training: Nest from Waste" has been organized. During the workshop students made bird nests and feeders by using household waste items such as cold-drink empty plastic bottles, containers, plastic lids, plates or round utensils. The demonstration was given by Mr Aniket Wankhade, Contract Teacher of the Department. About 110 students participated in the camp. The nests and feeders made during the camp were then displayed and distributed to the students by the hands of Dr D.S.Talwankar, Principal of our college. The feeders and nests were then installed at their homes just to send the message and to create awareness among their families and surrounding people.

The President of Vidarbha Shikshan Prasarak Mandal, Dr. Subhashrao Bobade, Secretary, Dr Prashant Bobade;Dr. M. O. Wankhade,Convener, Student Development Committee; Dr. Hemant Chandak,Dr A.A.Tayde, Dr. Hanumant Bhosale, Prof. Sachin Shingane and others visited and appreciated the organizers and students.

गो.से.महाविद्यालयात जागतिक चिमणी दिवस साजरा

खामगाव (का.प्र.)- येथील गो.से. महाविद्यालय, खामगाव येथील प्राणीशास्त्र व वनस्पतीशास्त्र विभागाच्या वतीने २० व २१ मार्च २०२३ रोजी 'जागतिक चिमणी दिवस' निमित्त दोन दिवसीय कार्यशाळे करिता अध्यक्ष स्वामी महाविद्यालयाचे उपप्राचार्य डॉ.पी.बी.उवाळे, प्रमुख पाहुणे संजय गुरव, कार्यशाळेचे मार्गदर्शक डॉ.जी.बी.काळे, वनस्पतिशास्त्र विभाग प्रमुख डॉ.ए.बी.पडभन हे उपस्थित होते.

संजय गुरव यांनी सांगितले कि, वाढत्या शहरीकरणामुळे चिमण्यांची संख्या झपाट्याने कमी होत आहे. आधुनिक प्रहारच्या धरणांमुळे घरांघरांची अन्नाची अनुपलब्धता आणि शहरातले वाढते प्रदूषण यामुळे अनेक कारणांमुळे त्यामध्ये भर पडत आहे. आपण विधायक कारणांची हीच वेळ आहे. आपण सर्वांनी

मिळून हे फळी नामनेचे होण्यापासून वाचवण्यासाठी प्रयत्न करावे. अध्यक्षीय भाषणात उपप्राचार्य डॉ.पी.बी.उवाळे यांनी सांगितले की, आपल्या सगळ्यांच्या परिचयाची असलेल्या चिमण्यांची संख्या कमी झालेली दिसते. पशुपक्षांसाठी अन्न व पाणी उपलब्ध करणे हे मोठे आव्हान होऊन बसले आहे, पशुपक्षी संवर्धनाची समस्या निर्माण झाली आहे आणि त्यासाठी आपण चिमण्यांची संख्या वाढवण्यासाठी पर्यावरणपुरक प्रयत्न करणे गरजेचे आहे. प्रास्ताविक जी.बी. काळे यांनी केले. कार्यशाळेच्या दुसऱ्या

दिवशी विद्यार्थी धरतीत टाकूक वस्तू जसे, प्लास्टिक बाटली, पॉन्टेनर, बरण्या, प्लास्टिक झाकण, ताटली किंवा गोळाकार असलेले भांडे इ. चा पुनर्वापर करून पक्ष्यांकरिता घराटी आणि फिडर बनविले. कार्यशाळेचा सुमारे ११० विद्यार्थी-विद्यार्थिनी लाभ घेतला. तदनंतर शिबिरादरम्यान बनविलेल्या घराटी आणि फ्रीडर्स विद्यार्थ्यांनी महाविद्यालयाच्या परिसरात व त्यांच्या घरी स्थापित केले. कार्यक्रमाचे सूत्रसंचालन कु. इशिका शर्मा यांनी तर आभार प्रदर्शन डॉ.कु.दीपाली धरमकार यांनी केले.

How to Write Master Degree (PG) Project Report
[For all master degree (PG) students]
Report of the activity

Total beneficiaries: 80 students + 05 teachers = 85

Objective of the event: To aware the PG students of the college with an important aspect of research methodology: the scientific report writing.

Resource Person: **Professor H. S. Chandak, Head, Dept. of Chemistry**

On the occasion of birth anniversary of Late Narendra alias Babasaheb Bobdey, former president of VSP mandal, Khamgaon; chemical society of our department organized a workshop on How to Write Master Degree (PG) Project Report on 17th April 2023 in the PG Department of Chemistry.

The event began with the welcome of students from different PG department and introductory speech by Monika Nimbalkar.

In the beginning the technical session, Dr Chandak highlighted the importance of Masters' Project wherein he stated that the project that students will be completing is going to be their own property which can open the gateway of employment opportunity for the students.

In the first part of the session, he briefed the concept of research and importance of research writings. He systematically approached to the non-technical and technical sections of the master project report. He discussed in depth the following different aspects of the report with special mention of do's and don'ts and use of appropriate tense in each section of the report :

- Title
- Summary/ Abstract (200 words)
- Key words
- Introduction
- Research Objectives (2-3)
- Review of literature
- Methodology/ Experimental/ Materials and Method
- Results and Discussion
- Conclusion
- References

He demonstrated all these important aspects of report using some examples.

The second part of the workshop was demonstrations on collection of literature, citation of literature using Mendeley and generation of table of contents of the report

First, he demonstrated that use of appropriate feature in MS word to generate table of contents, list of table / figures/ schemes/ equation.

Secondly he demonstrated how to get authentic literature on a topic. He demonstrated that a when a same key word when searched on Google and Scholar. Google shows different literature. and how we can download relevant literature through use of N-List and other sources. He asked the participants to store the downloaded literature by appropriate labelling so that it can retrieved as and when needed.

Third demonstration was about use of Mendeley as reference citation manager. He demonstrated

- Downloading and installing Mendeley.
- Preparing library of References in Mendeley
- Importing PDFs in Mendeley
- Adding citations and reference to MS word document

All the participants form different PG departments of College participated enthusiastically in the event. They showed utmost satisfaction towards the content and delivery of the workshop.

The vote of thanks was proposed by Mr Pratap Gadrya.

A report on In-house Summer Research Program (Online) 2020-21

As per policy for promotion of Summer Research, online summer research program was conducted during the academic year 2020-21. Due to COVID -19 pandemic, it was conducted in an online mode. A workshop for teachers has been organized for creating awareness among the mentors for In-House Summer Research Program of the college on 23rd June 2021. Mentors were made aware about their role as a mentor and timeline for execution of the program. Students applications were invited through a Google form by the IQAC. They were given a choice to select a mentor and area of research. More than 200 students applied for the summer internship under the mentorship of 28 mentors.

The brochure is for the In-house Summer Research Program 2020-21, an initiative of IQAC at G. S. Science, Arts and Commerce College, Khamgaon. It features the college's logo on the left and a circular logo on the right. The text includes the college's affiliation with Sant Gadge Baba Amravati University, its ISO 9001:2015 certification, and its NAAC A-grade accreditation. The main heading is 'In-house Summer Research Program 2020-21 (An initiative of IQAC)'. Below this, it states that students interested in summer research should apply by filling out a Google form at <https://tinyurl.com/inhouseSRP20-21>. It also mentions that students should choose a research topic and teacher mentor in the form, and that the last date of submission is 30 June, 2021. A note indicates that selected students will receive further communication on their email from the mentor on 3rd July 2021. At the bottom, the names and titles of the coordinator, Dr H S Chandak, and the principal, Dr D S Talwankar, are listed.

4. SGBAU Soft Skill Workshop on 11th to 14th October, 2019.

Report of skill development workshop

Subject of workshop: soft skills development

Object: 1) To make students of the college aware of soft skills. 2) To guide them 3) To plan solutions

Preface: it is very essential that the college students need to be made aware of some special issues along with the curriculum. A four -day workshop was organized under the skill development scheme to create the minimum qualification required in those areas. This workshop was guided by various eminent persons.

Day First: 11th October, 2019

The program was inaugurated on 11th October 2019. On the occasion Hon'ble Dr. Dada Saheb Bobdey, President, V.S.P. Mandal, Khamgaon, Dr. D. S. Talwankar, Principal of the college, Dr. M. O. Wankhade, Coordinator, Student's development committee, Dr V. S. Athawar, Coordinator, counselling and Placement Cell and Dr. Sonal Kame, soft skill trainer, R.D.G. College Akola were prominently present.

Dr. Sonal Kame, Soft skills Trainer gave special guidance to inspire the college students. She gave various examples about the values of life. Life is really precious. she said and asked not to compromise on moral values while achieving a goal of life. Confidence will be gained by constant practice. The confluence of three things like goal, value and principles will help man to lead a successful life. A total of 50 students participated in this program.

Day Two: 12th October, 2019

Dr. Sonal Kame gave the keynote of the language presentation. She explained the difference between formal and informal speech. Planned thoughts and use of proper words can make the world your own. It is very essential which word to use and which not to use while communicating with others. In communication, body language plays a vital role. gestures and body language express the inner thoughts. The main objective should be discussed and ideological differences need to be avoided

Day Three: 13th October, 2019

Dr Shivaji Nagre, Shankarlal Khandelwal College, Akola guided the students by giving practical examples. Getting a job is depend upon how you can present. Time constraints, minimum qualification and adherence to values in that areas are very important. Neatness and subtlety are required. He also suggested that something important or less important should be differentiated but not omitted.

Day Four: 14th October, 2019

In this session, Shivaji Nagre guided on interview techniques and keynote to success. While going for an interview one should pay attention on the dress code. It also depends a lot on what the field is. Self-confidence and restraint are very important. He also guided on how to write individual bio-data. Resume is the horoscope of your educational achievements. It should not be illusion and incomplete. He also advised to mention special qualities. The concluding program was held on the occasion. Dr. D.S. Talwankar, principal of the college, Dr. M. O. Wankhade, Coordinator, College student's development committee, Dr. V. S. Athawar, Coordinator, Career counselling and placement cell, Dr. Shivaji Nagre, Soft skills trainer were present.

The following students expressed their views.

- 1) Aniruddha R Galande 2) Ashutosh Khatri 3) Ku. Rupali S. Walke 4) Ku. Sheetal K. Suryavanshi
- 5) Ku. Shivani Patil 6) Prashant Thakur, B.Sc. III 7) Ku. Jyoti N. Sharma, M. Sc. I 8) Pawan Solanke, B.C.A. III

Workshop on ‘Summer Research: The knowhow’

As a part of policy for promotion of summer research, IQAC of our college has organized a workshop on ‘**Summer Research: The Knowhow**’ on **Wednesday, 26th February, 2020** in the **S B hall at 10.30 am.**

Resource Person: **Dr H S Chandak, IQAC Coordinator**

Participants: Teachers: 05 Students: 104

The workshop was organized for **those interested students who have desire to acquire advanced knowledge** in the respective discipline at premier institutes in India like like IIT, IISERs, IIITs etc.

The workshop aims to address the following questions:

- 1. Where can we do summer research?**
- 2. What are the benefits?**
- 3. What is prerequisite qualification?**
- 4. How to apply?**

Students actively participated in the workshop. Dr H S Chandak explained the benefits of summer research by sharing the success stories of the past students who completed summer research and went on to succeed in their career as a researcher. He also shared the list of premier institutes which offer summer internship.

Brief Report about event	<p>A total of 150 students of our college participated in this session in this enlightening workshop. This initiative was inspired by the idea of “Swaraj” as expressed by Gandhiji. The objective behind the workshop was to motivate the future citizens of the society to move towards energy self-sufficiency, to be self-reliant in the energy requirements of the country and society.</p> <p>This one-day workshop consisted of three major interactive sessions. The first session aimed to sensitize the students about the importance and future of the solar sector while the second session introduced the students to toolkits, solar lamp components, and technical testing. The third session was about assembling a quality lamp. These sessions enlightened the students about solar energy and enabled them to test all the technical components and made them well versed with the technical aspects of all the components and enabled them to assemble a quality solar study lamp. Students gained skills in soldering, use of renewable and non-renewable energy, working of solar panels, assembling components, basic knowledge of printed circuit board (PCB) and light emitting diodes etc.</p> <p>Speaking on this occasion, energy expert Dr. Prashant Kulkarni added, “Student Solar Ambassador workshop is to create awareness that energy self-sufficiency can be achieved through solar energy. This gave the students an opportunity to learn about energy by assembling their own solar-based lamps and thus creating the energy they needed for themselves.</p>

G S Science, Arts and Commerce College, Khamgaon

The workshop was moderated by Prof. Ravindra Chavan and the introduction by Prof. S.P. Hargunani, Head of Physics Department, Prof. R. P. Done under the guidance of Sonekar. The workshop was organized by Principal Dr. D. S. It was done with the initiative and inspiration of Talvankar.

In the technical session Prof. Jayesh Tathed, Dr. Yogesh Mhaisagare, Prof. Ishwar Karale, Prof. Anjali Mawle, Prof. Nikhil Umbarkar helped the students to make a solar lamp.

Hon. Shri. Prashantji Kulkarni addressing the audience.

Report

Of

“Certificate Course of Internet of Things”

The department organized certificate course of “Internet of things” for the advance skill development. This one week certificate course of Internet of Things is organized in collaboration with Microspectra Software Technologies limited. The details about the course is given below:

Course Title: “Certificate Course of Internet of Things”

Course Duration: 1 weeks

About this course:-

Internet of Things or IoT in short, is the idea of making devices and objects smarter by linking them to the internet. IoT has promising applications for smart homes, wearable devices, smart cities, connected cars and more.

File commands

<code>ls</code>	Directory listing
<code>ls -al</code>	Formatted listing with hidden files
<code>cd dr</code>	Change directory to dr
<code>cd</code>	Change to home
<code>pwd</code>	Show current directory
<code>mkdir dr</code>	Create a directory dr
<code>rm file</code>	Delete file
<code>rm -r dr</code>	Delete directory dr
<code>rm -f file</code>	Force remove file
<code>rm -rf dr</code>	Force remove directory dr
<code>cp file1 file2</code>	Copy file1 to file2
<code>cp -r dr1 dr2</code>	Copy dr1 to dr2; create dr2 if it doesn't exist
<code>mv file1 file2</code>	Rename or move file1 to file2. If file2 is an existing directory, moves file1 into directory file2
<code>ln -s file link</code>	Create symbolic link link to file
<code>touch file</code>	Create or update file
<code>cat > file</code>	Process standard input into file
<code>more file</code>	Output the contents of file
<code>head file</code>	Output the first 10 lines of file
<code>tail file</code>	Output the last 10 lines of file
<code>tail -f file</code>	Output the contents of file as it grows, starting with the last 10 lines.

System info

<code>date</code>	show the current date and time
<code>cal</code>	show this month's calendar
<code>uptime</code>	show current uptime
<code>w</code>	display who is online
<code>whoami</code>	who you are logged in as
<code>finger user</code>	display information about user
<code>uname -a</code>	show kernel information
<code>cat /proc /cpuinfo</code>	cpu information
<code>cat /proc /meminfo</code>	memory information
<code>man command</code>	show the manual for command
<code>df</code>	show disk usage
<code>du</code>	show directory space usage
<code>free</code>	show memory and swap usage
<code>whereis app</code>	show possible locations of app
<code>which app</code>	show which app will be run by default

Process Management

<code>ps</code>	display all currently active processes
<code>top</code>	display all running processes
<code>kill pid</code>	kill process id pid
<code>killall proc</code>	kill all processes named proc *
<code>bg</code>	lets stopped or background jobs; resume a stopped job in the background
<code>fg</code>	brings the most recent job to the foreground
<code>fg %</code>	brings job % to the foreground

Compression

<code>tar cf file.tar files</code>	create a tar named file.tar containing files
<code>tar xf file.tar</code>	extract the files from file.tar
<code>tar czf file.tar.gz files</code>	create a tar with Gzip compression
<code>tar xzf file.tar.gz</code>	extract a tar using Gzip
<code>tar cjf file.tar.bz2</code>	create a tar with Bzip2 compression
<code>tar xjf file.tar.bz2</code>	extract a tar using Bzip2
<code>gzip file</code>	compresses file and renames it to file.gz
<code>gunzip -d file.gz</code>	decompresses file.gz back to file

File Permissions

<code>chmod octal file</code>	change the permissions of file to octal, which can be found separately for user, group, and world by adding: <ul style="list-style-type: none"> • 4 - read (r) • 2 - write (w) • 1 - execute (x) Examples: <code>chmod 777</code> - read, write, execute for all <code>chmod 755</code> - rwx for owner, rx for group and world. For more options, see man chmod .
-------------------------------	--

Network

<code>ping host</code>	ping host and output results
<code>whois domain</code>	get whois information for domain
<code>dig domain</code>	get DNS information for domain
<code>dig -x host</code>	reverse lookup host
<code>wget file</code>	download file
<code>wget -c file</code>	continue a stopped download

Installation

Install from source:	
<code>./configure</code>	
<code>make</code>	
<code>make install</code>	
<code>dpkg -i pkg.deb</code>	install a package (Debian)
<code>rpm -Uvh pkg.rpm</code>	install a package (RPM)

SSH

<code>ssh user@host</code>	connect to host as user
<code>ssh -p port user@host</code>	connect to host on port port as user
<code>ssh-copy-id user@host</code>	add your key to host for user to enable a keyed or passwordless login

Shortcuts

<code>Ctrl+C</code>	halts the current command
<code>Ctrl+Z</code>	stops the current command, resume with <code>fg</code> in the foreground or <code>bg</code> in the background
<code>Ctrl+D</code>	log out of current session, similar to exit
<code>Ctrl+W</code>	erases one word in the current line
<code>Ctrl+U</code>	erases the whole line
<code>Ctrl+R</code>	type to bring up a recent command
<code>!!</code>	repeat the last command
<code>exit</code>	log out of current session
<code>*</code>	use with extreme caution

Searching

<code>grep pattern files</code>	search for pattern in files
<code>grep -r pattern dr</code>	search recursively for pattern in dr
<code>command grep pattern</code>	search for pattern in the output of command
<code>locate file</code>	find all instances of file

A report on In-house Summer Research Program (Online) 2019-20

As per policy for promotion of Summer Research, online summer research program was conducted during the academic year 2019-20. Due to COVID -19 pandemic, it was conducted in an online mode. Students applications were invited in online mode by the IQAC. A total of 116 students applied for the summer internship under the mentorship of five mentors. A few students were shortlisted based on their academic record and availability of IT infrastructure with them.

Summer research program was successfully completed under following three mentors:

1. Dr D S Talwankar (Area of Research : Ethno-medicinal Plant)
2. Dr A D Bhosale (Area of Research: Commerce and Business Management)
3. Dr H S Chandak (Area of Research : Computational Chemistry and Understanding chemical footprints from Human Life)

It is noteworthy to mention that Dr H S Chandak have tried to build a linkage with **Dr Sanjio Zade, IISER Kolkata** to conduct training session on the use of Gauss View and Gaussian software. Periodic virtual meetings with students were conducted on Zoom/ Google Meet platform. Dr Zade sir attended all the meetings The recorded videos of the training sessions were uploaded on YouTube and links were shared with the students to get better insight of the topic.

Some of the significant outcomes of these projects are:

1. Research aptitude among the student has been developed.
2. Students learned to search literature and write reports.
3. Students perspective about use of different items have been changed. They now look for the contents in the product, their effects and side effects before using any item.
4. They are showing willingness to work as ambassador for creating awareness among the society.
5. Their confidence level has been raised so that they can come up with new ideas and try new experiments.

Subject: Report of “Course on Internet of Things” organized in
Collaboration with Microspectra Software Technology Associates.

R/Sir,

I am glad to submit the report about five days hands on training course of Internet of Things. The department organized “Five days hands on training course of Internet of Things” on 19/11/2018, 2018. The event was organized in the collaboration with MICROSPECTRA SOFTWARE TECHNOLOGIES PVT. LTD. On the inaugural function, Dr. D S Talwankar, Principal participated as Chief Guest. In his Chief guest address, he emphasized the role of technology in today’s standard of living environment and he advised them to come forward to develop the app to make live easy and smart. The collaborator carried out the responsibilities of resource persons as well as experimentation facilities.

In all 48 students registered for the course. This course has improved their skill of software designing for IT industry and it will make them competent for JOB. The students learn the application design on Arduino as well as on Raspberry pi.

Faculties, Staffs and students alike participated actively in the hands on training session of the course. This enthusiasm hints that every student has performed the practical on both the kits. The entire session was an interactive session and the speakers answered many queries raised by the participants. All in all, the course went off very well, and was well appreciated by one and all. The success of this first IoT course by Microsoft Technology Associated invites more job oriented and courses on latest technology in upcoming times.

Dr. D S Tawankar, Principal, Chair the concluding session at S B Bobadey Memorial Hall of the college. During his remark he motivates the student to participate in such course and try to develop the application for our college. Mr. Vijay Tathe, CEO, Microspectra Technology Associate discussed the importance of short duration courses. In his presentation, he demonstrated the same with a case study and concluded that such courses will be helpful to improve the technological skill to secure their job or to develop

as an entrepreneur in industry. Mr. P S Bodkhe, Associate Professor, Dept. Of Computer Science & Application actively participated in the concluding session discussed in detail about applications of IoT for automation of services. Prof P E Ajmire, Head, Dept. of Computer Science and Application has encapsulated the outcome of the IoT course and concluded the workshop with a vote of thanks.

The entire programme was co-ordinated with the support of the Principal, faculty members of MTA, Mrs. Dipali V Tathe, non teaching staff members and the scholars of the department of Computer Science and Applications.

Recommendations

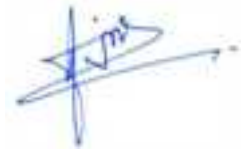

Such courses should be conducted simultaneously for effective utilization of the knowledge in the field of IT.

It is suggested that the college should develop the IoT laboratory for practical and project development in the college.

Thanking you.

Date: 8/1/2018.

Yours faithfully,

Dr. P. E. Ajmire
