Women's Empowerment and Entrepreneurship Development Cell was established in G S Science, Arts and Commerce College Khamgaon in the year 2005. The major objective of this cell is to make our girl students as well as other women in the local community able, independent and employable in the present era and also to raise their awareness about their rights and duties.

### **Cell against Sexual Harassment of Women**

We have established an Internal Complaints Committee to prevent and (if necessary) deal with matters of physical, mental and sexual harassment of women (including female students and staff members). This committee has been established in keeping with the ethos of our institution and in compliance with the instructions of National Commission for Women and the directives of Hon'ble Supreme Court on the subject of sexual harassment of women in the workplace as well as S G B Amaravati University letter of 19 September 2005.

- All students, teaching faculty as well as administrative staff (both contractual and temporary) of the college will come under the purview of the policy pursued by the Internal Complaints Committee.
- Only the matters pertaining to sexual harassment and/or discrimination of staff and students will be under the jurisdiction of ICC.
