BIOMETRIC ATTENDANCE:

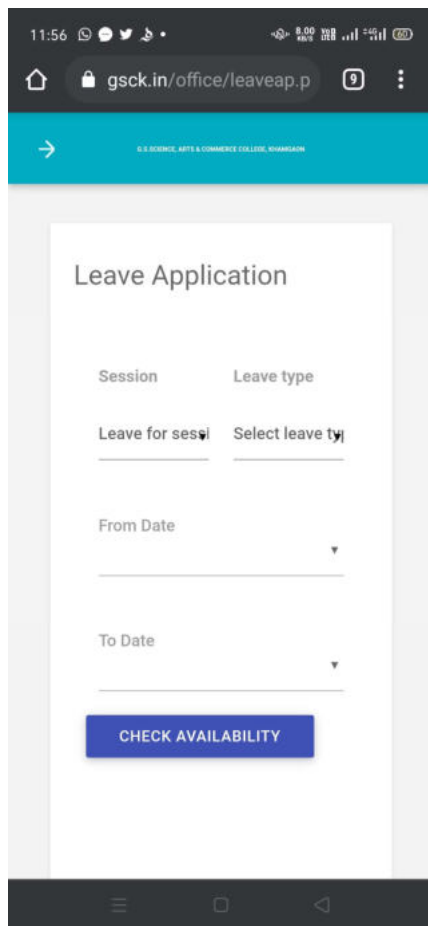

We have biometric attendance system for ALL our employees. It is based on face-recognition. The attendance record is saved directly in the computer of the Principal.

PORTAL FOR LEAVE APPLICATIONS:

We have a portal prepared by M-SOFT for leave application submission and management of leave records of the ALL the employees. The leave applications are submitted and managed completely online. Given below is a screenshot of this portal:

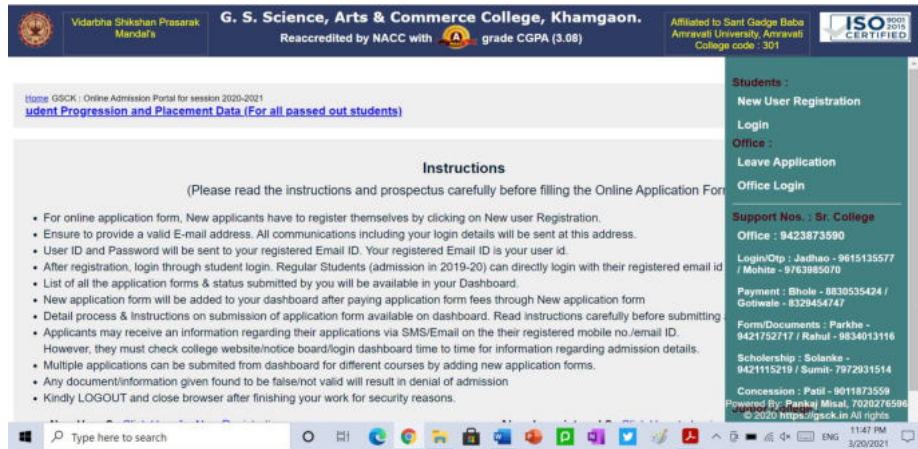

Leave application portal interface (Desktop)

Leave application porta interface (Mobile)

PORTAL FOR ONLINE ADMISSIONS:

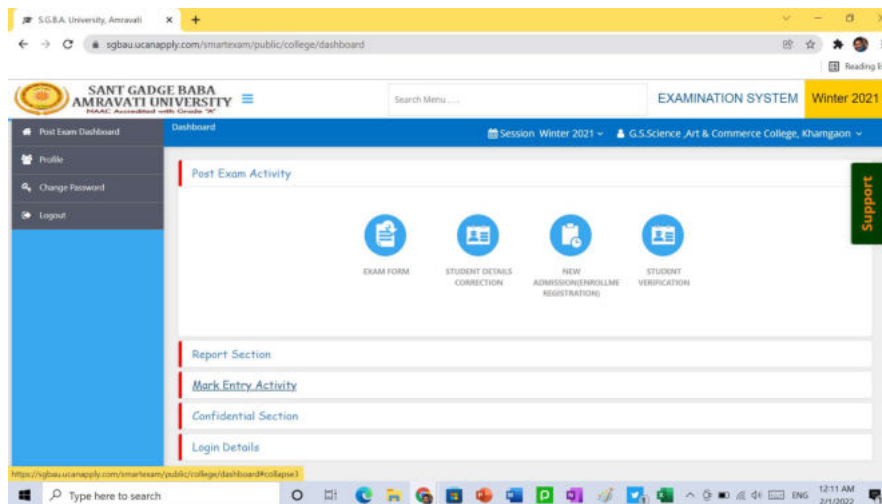

We have a dedicated portal <http://gsck.in> for online admissions of students. This portal has been prepared and is being maintained by M-SOFT Solutions.

PORTAL FOR EXAMINATION FORMS PROCESSING AND MARKS ENTRY:

Examination forms are filled and processed through the portal of the S G B Amravati University. Entry of internal assessment marks and generation of result reports are also done with the help of this portal. The URL of the portal is: <https://sgbau.ucanapply.com/smartexam/public/>

The screenshot of the portal is as follows:

PAYROLL MANAGEMENT (Temporary Staff):

Payroll management of the temporary staff is done with the help of the college management software mentioned above.

PAYROLL MANAGEMENT (Permanent Staff):

HTE Sevarth System of the Maharashtra State Government is used for the preparation of the salary bills of the permanent teachers and non-teaching staff. This system has been in use since 2012. The salary bills are generated and submitted to the regional Joint Director Office through this system and after the approval, salary is disbursed through the bank to the accounts of the employees. Given below is a screenshot of this system:

Interface of HTE Sevarth Portal. URL: <https://htesevaarth.maharashtra.gov.in/login.jsp>

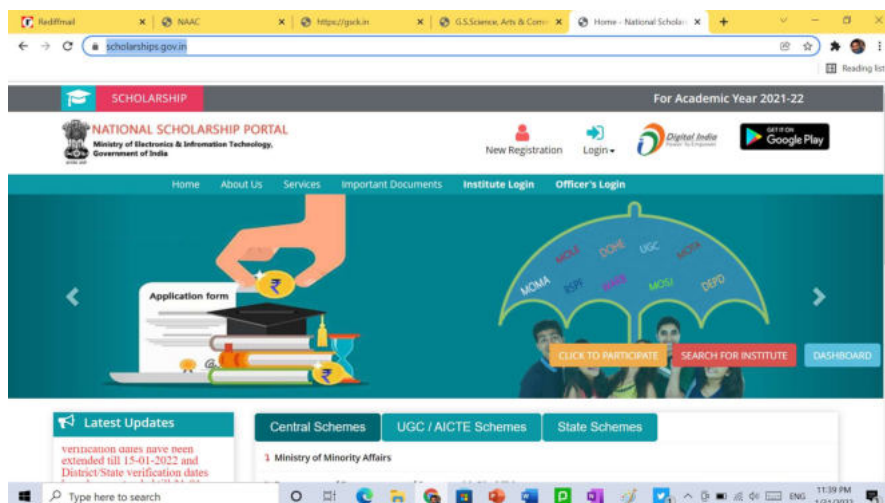

SCHOLARSHIP APPLICATIONS:

Applying to and checking the status of various scholarships/freeships of the state and central governments are done with the help of the portals of the respective agencies/departments.

Applications for the scholarships of the Govt of Maharashtra can be made, verified and forwarded through a dedicated portal (Maha DBT) of the Govt of Maharashtra while the applications for the scholarships of the Central Government can be made through the National Scholarship Portal. Their screenshots and URLs are as given below:

URL: <https://mahadbtmahait.gov.in/login/login>

URL: <https://scholarships.gov.in/>

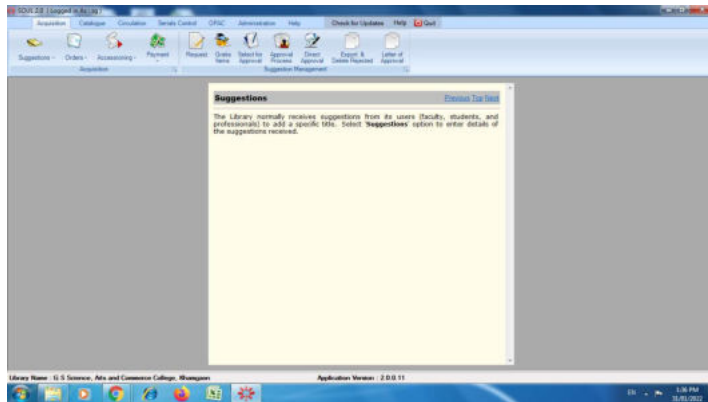

LIBRARY MANAGEMENT:

We use SOUL 2.0 software of the INFLIBNET for the management of our library. The library is fully automated with the help of this software. Following facilities are offered by SOUL:

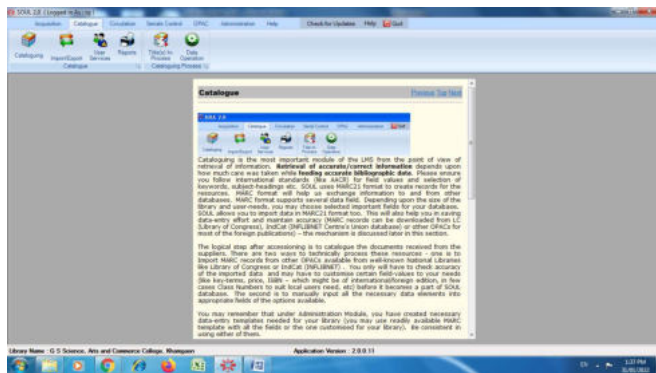

- Accession of books and periodicals
- Accession of electronic resources
- Cataloguing
- Issue/Return (barcode based)
- Creation and maintenance of membership profiles.
- OPAC
- Web OPAC
- SMS Alerts
- Calculation of fines and other dues
- Purchase order generation
- Maintenance of stock
