## **Policy for Promotion of Sports**

### **1. Preamble:**

Activities relating to Sports and Physical Education are essential components of human resource development, helping to promote good health, comradeship and a spirit of healthy competition, which, in turn, has positive impact on the overall development of the personality of the youth. Excellence in sports enhances the sense of achievement, national pride and patriotism. Sports also provide beneficial recreation, improve productivity and foster social harmony and discipline. With the objective of raising the standard of Sports in the country, the Government of India formulated The National Sports Policy, 1984 and incorporated it in The National Education Policy, 1986. In the National Sports Policy 2001, the central Government, in coordination with the State Government, the Olympic Association (IOA) and the National Sports Federation aimed for twofold objectives:

1. "Broad-basing" of Sports and
2. "Achieving Excellence in Sports at the National and International levels".

### **2. Brief Statement**

Our Vision Statement is:

“To make substantial contribution to the overall growth of the region and the nation by providing quality higher education to students from all sections of the society.”

In line with national agenda and our vision statement, G. S. Science, Arts and Commerce College, Khamgaon is committed to the pursuit of excellence in sports and allied areas. Our commitment to this cause is reflected through our continuous efforts in providing the best of infrastructure and training to the sportspersons in the locality. Developing a policy for the promotion of Sports is an impactful strategy for creating future sporting talent for the country.

This document contains the policy for the promotion of sports and other related activities by G. S. Science Arts and Commerce College, Khamgaon. It also outlines the objectives, principles and procedures that should be taken into account while achieving the aforesaid twofold national objectives.

### 3. Background

According to AISHE-2019 report, about 60% of enrollment to higher education comes from rural and semi-urban background. The enrollment profile of our college is no exception to the national trend. The students from these regions are sincere and hardworking. However, due to the lack of proper facilities and training, many of them fail to excel in sports. This scenario is very common in our region too. Considering this, a few of our teachers started promoting students to ensure participation in sports. . As an institute, we tried our level best to ensure participation and provide platform to the sportspersons. This is obvious from the following achievement of the students in the sports arena:

Some students who excelled in sports/ cultural/NCC/ NSS events have chosen sports as a career while some got placed through the sports quota in government and public sector undertakings. It is also important to note that we are among the few colleges in the university to have best of the sporting facilities like a ten-lane swimming pool, indoor stadium and a huge play-ground. With this backdrop, the IQAC of our college has decided to design a policy to encourage and promote participation of a greater number of students in sports and allied events.

### **3. Objectives:**

For preserving the rich sporting culture of the state and for facing the challenges at international level, empowerment of the entire sports field has become a necessity.

In accordance with this decision and considering the recommendations made by the sports department and the IQAC members, the policy has been prepared.

The aim is to harness the available talent and potential of the sports persons, and achieve following objectives:

1. To create a conducive atmosphere for sports by providing best of the basic sports infrastructure
2. To promote sports through felicitation, scholarship and rewards for sportspersons.
3. To provide a platform to the students to experience and understand the temperament for sports
4. To produce national/ international level sportspersons

### **4. Policy for Promotion of Sports and allied events**

For preserving the rich sporting culture of the nation and for facing the challenges at international level, empowerment of the entire field of sports has become a necessity.

Infrastructural development and incentives to the sports person are the key elements of this policy.

#### **4. A. Development of Sports Infrastructure:**

In order to inculcate sporting culture and harness the talent in the youth of the region providing best of the sporting infrastructure is the mainstay. The institution already has good sporting infrastructure and we do ensure the optimum utilization of this infrastructure by our students and other interested sportspersons in the region. As a part of the strategic plan of the institute we intend to develop following sports infrastructure:

- Archery and shooting range on our campus.
- A four-hundred meter running track to facilitate all athletics event like hammer throw, long jump, hurdle etc.
- A cricket stadium
- Grounds for football, basketball, volleyball, kabaddi and kho-kho etc
- A multipurpose hall with facilities for Gymnastics , boxing, Karate, Taekwondo, kudo, skating etc.
- Modern pentathlon Sports

The available infrastructure will be made available to students of other institutions and sportspersons in the region also.

❖ **Financial requirement for the infrastructure:**

The finance required for this infrastructure will be met from the schemes of various government agencies, NGOs, Philanthropists, alumni and the parent trust of the college (The Vidarbha Shikshan Prasarak Mandal). Department of Sports and Physical Education will form a task force as per need and submit its proposal to various funding agencies.

**4. B. Training and Coaching to the sportspersons:**

Necessary trainers and coach will be hired as per the needs. Institute will enter into MoU with different sports organizations for mutual benefit and promotion of sports.

Open access to Gym, Swimming pool and Indoor stadium will help the aspiring sportspersons keep fit

**4. C. Social Outreach to promote sports in the region:**

Students of the different schools in the region who represented their institutions at state/ national level will be provided access to the sports facilities of the college free or at a subsidized rate.

**4. D. Financial support to sportspersons:**

Incentives provide recognition and financial security to distinguished sports persons, during and after their sporting careers, and also motivate the youth in the serious pursuit of sports activities. For developing competitive spirit and for talent-scouting, the institute plans to start a scholarship named “ **Babasaheb Bobdey Khelratna Scholarship**”

❖ **Babasaheb Bobdey Khelratna Scholarship**

To ensure all-round development of students and achieve excellence in sports and allied area, this scholarship will be a stepping stone. There will be committee comprising of following members for the screening of the applications:
