About this Webinar:-

Intellectual Property Rights is an inevitable tool for today's globalized economy. Fostering innovation is one of the sustainable development goals set by the Government of India. "An India where Intellectual Property stimulates creativity and innovation for the benefit of all" is the vision of our National IPR Policy. Several initiatives have already proven to foster innovation like the Make in India, Start up India, Digital India and Skill India. The Atal Innovation Mission nurtures the innovative energies across the country in schools and universities. Under the IPR policy, the cell for IPR Promotion and Management, CIPAM has been tasked to facilitate creation and commercialization of IP assets in collaboration with the Office of the Controller General of Patents, Designs and Trademarks.

Geographical Indications of Goods are defined as that aspect of industrial property which refer to the geographical indication referring to a country or to a place situated therein as being the country or place of origin of that product. Typically, such a name conveys an assurance of quality and distinctiveness which is essentially attributable to the fact of its origin in that defined geographical locality, region or country.

Program conducted

Adv. Yogita Pawar focus on all the components of IPR. Such as:

- Forms and Fees.
