

G S Science, Arts and Commerce College, Khamgaon

Title of the Activity	Student Solar Ambassador Workshop
Organizing Department	Department of Physics & Innovation
Date	October 02, 2019
Venue	G. S. Science, Arts and Commerce College, Khamgaon
Guest/ Resource Persons	<ul style="list-style-type: none"> ❖ Guest of Honor: Hon. Dr. Subhashji Shankarraoji Bobdey President, Vidarbha Shikshan Prasarak Mandal, Khamgaon. ❖ Inaugurator: Shri. Prashantji Ram Kulkarni S'Divisional Engineer (Electrical) in Bharat Sanchar Nigam Ltd. Khamgaon. ❖ President: Dr. D. S. Talwankar Principal, G. S. Science, Arts & Commerce College, Khamgaon
No of Beneficiaries	Students 150 Teachers 12
Brief Report about event	<p>A total of 150 students of our college participated in this session in this enlightening workshop. This initiative was inspired by the idea of “Swaraj” as expressed by Gandhiji. The objective behind the workshop was to motivate the future citizens of the society to move towards energy self-sufficiency, to be self-reliant in the energy requirements of the country and society.</p> <p>This one-day workshop consisted of three major interactive sessions. The first session aimed to sensitize the students about the importance and future of the solar sector while the second session introduced the students to toolkits, solar lamp components, and technical testing. The third session was about assembling a quality lamp. These sessions enlightened the students about solar energy and enabled them to test all the technical components and made them well versed with the technical aspects of all the components and enabled them to assemble a quality solar study lamp. Students gained skills in soldering, use of renewable and non-renewable energy, working of solar panels, assembling components, basic knowledge of printed circuit board (PCB) and light emitting diodes etc.</p> <p>Speaking on this occasion, energy expert Dr. Prashant Kulkarni added, “Student Solar Ambassador workshop is to create awareness that energy self-sufficiency can be achieved through solar energy. This gave the students an opportunity to learn about energy by assembling their own solar-based lamps and thus creating the energy they needed for themselves.</p>

G S Science, Arts and Commerce College, Khamgaon

The workshop was moderated by Prof. Ravindra Chavan and the introduction by Prof. S.P. Hargunani, Head of Physics Department, Prof. R. P. Done under the guidance of Sonekar. The workshop was organized by Principal Dr. D. S. It was done with the initiative and inspiration of Talvankar.

In the technical session Prof. Jayesh Tathed, Dr. Yogesh Mhaisagare, Prof. Ishwar Karale, Prof. Anjali Mawle, Prof. Nikhil Umbarkar helped the students to make a solar lamp.

Hon. Shri. Prashantji Kulkarni addressing the audience.
