Workshop on ‘Summer Research: Role of the Mentor’

As a part of policy for promotion of Summer research, IQAC of our college has organized a workshop on ‘**Summer Research: Role of the Mentor**’ on **Wednesday, 23rd June, 2021** on Google meet virtual platform at **4.00 pm**.

Link for the event: <https://meet.google.com/pqgy-gvi>

Resource Person: Dr H S Chandak, IQAC Coordinator

Chairman: Dr D S Talwankar, Principal

Chief guest: Shri A P Jhunjhunwala, Vice President, VSP Mandal, Khamgaon

Participants: Teachers: 35

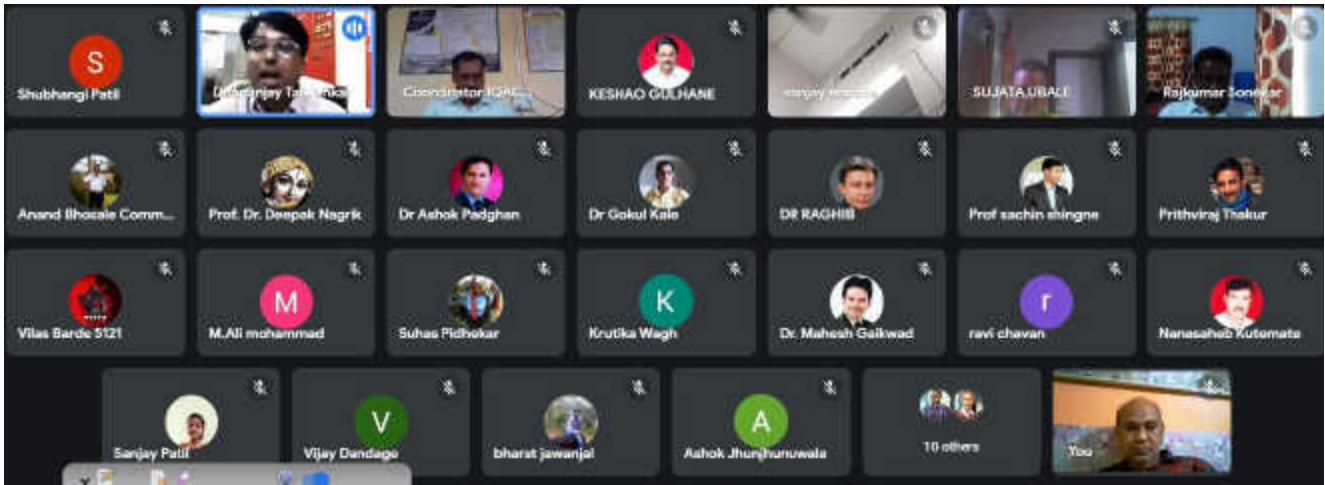

The workshop is organized for creating awareness among the mentors for In-House Summer Research Program of the college.

The workshop aims to address the following points:

- 1. Back ground of Summer Research Program**
- 2. Role of mentor in Summer Research Program**
- 3. Role of Co-mentor**
- 4. Institutional Scholarship to students**

Teachers actively participated in the workshop. Dr H S Chandak explained the benefits of summer research by sharing the success stories of the past students who completed summer research and went on to succeed in their career as a researcher. Dr A D Bhosale also shared his experience about the previous year In-house Summer Research Program. Dr Talwankar briefed how the college will support the students with institute fellowship.
