<p>rief Report about event</p>	<p>Late Adv.Shankarraoji alias Bhausahab Bobade Memorial Week - 2021 Blood Group, Blood Sugar and Blood Pressure Testing Camp</p> <p>A Blood group, blood pressure and blood sugar testing camp was organized by the Department of Zoology of our College, on the occasion of Late Adv.Shankarraoji alias Bhausahab Bobade Memorial Week on 21st September 2021. The program was inaugurated by the President of Vidarbha Shikshan Prasarak Mandal, Dr. Subhashji Bobade and the chief guest was Shri. Ashok Sheth Jhunjhunwala, as well as the secretary of the organization Dr. Prashantji Bobade, Shri. Ajinkyadada Bobade, Shri. Prakashji Tambat, Shri. Rajendra Zambad and all the board of directors were present.</p> <p>While introducing the program, the Head of the Zoology Department and the organizer of the camp, Dr. G. B. Kale said that today's students and society should be aware of their health. Today's stressful and COVID-19 like epidemics have increased the stress on health. Not everyone can afford high quality and expensive treatment. The balance between human blood and its constituents is extremely important. The inaugural speaker of the camp, Dr. Subhashji Bobade, while guiding the students, said that, Bhausahab had a special love for all sections of the society. He was happy that they have a keen eye on environmental education and conservation and the same sentiments are nurtured on the occasion of this camp. The president of the program and the Principal of the college, Dr. D.S. Talwankar, while giving guidance, said that this camp has been organized regularly by the Zoology Department for the last 15 years. The camp was not able to take place due to the severe outbreak of corona infection last year and this year too it has been kept in a limited format following the corona epidemic guidelines.</p> <p>According to the data collected during the camp, A positive group (22.30%), A negative group (1.53%); B positive group (28.46%); B negative group (0.76%); AB positive group (12) .30%; AB negative (0.76%); O positive (33.84%), the frequency was found to be negative (1.53%).</p> <p>For the success of the camp, Dr. G. B. Kale, Prof. Suhas Pidhekar, Prof. N. B. Kutemate, Prof. Sachin Khandare, Prof. Ku. Ms. Shubhangi Patil, Prof. Ku. Farhat Anjum, as well as Mr. Prasad Khanore, Laboratory Attendant; M.Sc. Part II students, all Ku. Snehal Ingle, Amarin Mirza, Ashwini Lavande, Nikita Sedani, Shrutika Umale, Snehal Adhav, Vaishali Araj, Prajakta Mankhair, Sonam Kale, Shri Kaniksh Meshram; M.Sc. Part -I students, all Ku. Ranivaishnavi Bhise, Kiran Patil, Preshita Kulkarni and Dipali Datir made a special effort, while B.Sc. Part II students, all Ku. Afifa Abir, Mushaida Samarin, Rafat Anjum, Yashoda Balani, Anam Sadika, Shiba Tahreen, Shaheen Firdos, Naushin Ara, Shahnaz Kauser, Gauri Bhadoria, Madhavi Wankhade etc. worked tirelessly.</p>
